

1189 Laurel Lane, San Luis Obispo

AFFORDABLE TURN-KEY TWO-STORY!

"Why Rent When You can Own?"

New carpets, mini-blinds + recently installed dual pane windows are featured at this affordable two BR one bath Laurel Lane home near everything. It's just a short walk to Sinsheimer Park, steps to shopping, with quick routes downtown and to Poly. The fenced & gated yard and shed are rare commodities in a condo. And so is parking: Here it's easy to park. Also, there's an upgraded kitchen (newer stove, counter, lighting and garbage disposal and refinished cabinets.) Enjoy the parquet flooring in the dining room. Nice views from the second floor.

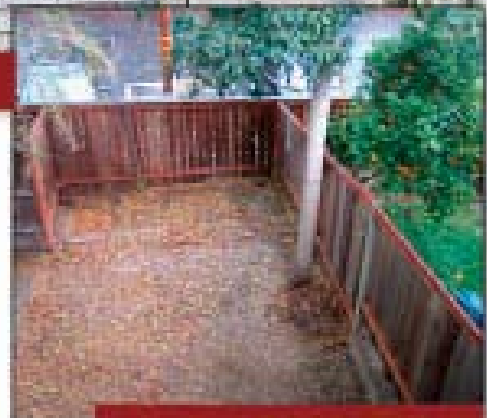

Doesn't it make sense to get started?
